		Part C	5 142	5 942	4 066	7 560	6 510	6 930	7 100	6 198	5 295	5 203

DDSs do not offer training courses for the vehicle types concerned. Therefore, no driving tests for such vehicle types are conducted at DDSs.

^ At present, all candidates taking a motor cycle driving test are required to undergo training at a DDS and take the Part B Test (Competence Test). Successful candidates of the Part B Test may choose to make an appointment for the Part C Test (Road Test) at either a DDS or a Government driving test centre.
